

HAPPY HOLIDAYS!

School Counselor Newsletter

Stacy Hightower

Goodman-Pickens Elementary

A Note from the Counselor

The start of the holiday season is here, bringing another milestone in what has been an unprecedented year. The holidays should remain an opportunity to pause and reflect on life's blessing.

Although COVID cases are on the rise across the state and country, Holmes County Consolidated Schools will continue to work to the best of our ability to provide Online Virtual Learning for our students. Please continue to stay safe, wear a mask and social distance.

Reminder
