Who Responded?

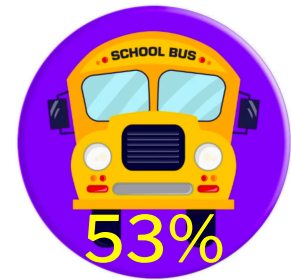

653 Responses:

471 families

182 staff

53% of parents plan to have their child/children ride the bus

Preferred Learning Model

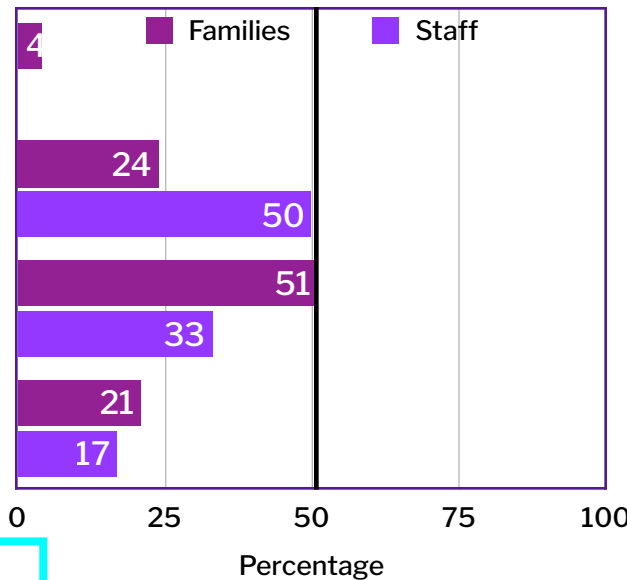

51

Alternative learning setting for my child

A hybrid gender-based model: both in-person and remote learning

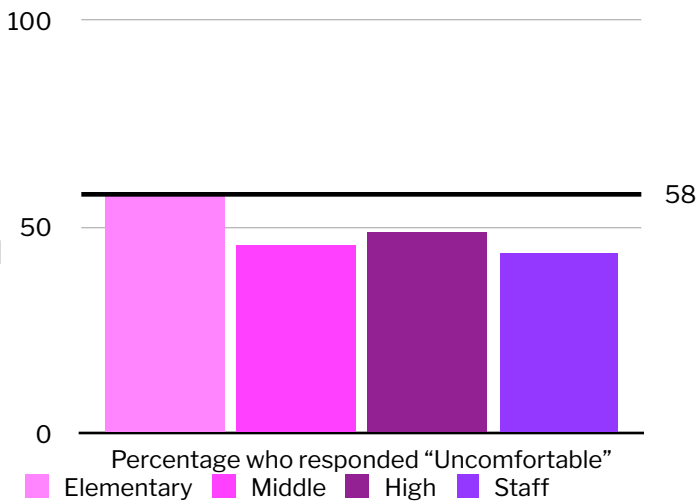

All learning conducted remotely via online learning

Traditional school with enhanced safety, cleaning and disinfecting procedures

Uncomfortable

How do you feel about your child/children returning to school in the fall with the Centers for Disease Control (CDC) health and safety rules in place?

Concerns

Public health regulations not followed

Classrooms/other places not properly disinfected

Availability of disinfecting supplies/personal protective equipment

Readjustment to classroom/school life

In-person interactions with others
