

SUMMER FLIGHT ONLINE VIRTUAL LEARNING PROGRAM

OPEN TO ALL HCCSD KINDERGARTEN - 11TH GRADE STUDENTS

Summer Flight Program

- A unique opportunity for students to engage in virtual online courses during the summer months
- Hands-on curriculum that integrates Science, Technology Engineering, Arts, and Math (STEAM) with a strong emphasis on Reading.
- Fun interactive activities to enhance academic skills and foster independence.
- Individualized education for each student.
- Quality, standards-based courses taught by high quality teachers. All courses are aligned with Mississippi's College and Career Readiness Standards (CCRS)

Highlights

- Laptops for student use.
- Student simulations with full-time teachers.
- Fluency Reading Coaches to assist students individually with fluency practice and strategies to improve reading comprehension.
- Cooperative and project-based learning opportunities with 21st century skills to help students achieve mastery.
- Virtual Field trips tied to the curriculum.

Who Attends?

- Kindergarten through eleventh grade
- Develop new interests and skills
- Summer Flight Registration is now open.

Summer Program Faculty

- Small, closely-knit staff of Holmes County teachers
- Maximize the growth potential of each student.
- High quality staff and volunteers focused on creating a positive learning environment
- Close communication with parents continues throughout the summer and parents are updated weekly.
