

**Status of School Performance  
Notice to Parents**

School: William Dean, Jr. Elementary School      Date: August 20, 2020

Dear Parent or Guardian:

In accordance with federal guidelines of the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (2015) and the Mississippi Consolidated State Plan, our school has been identified for support and improvement by the Mississippi Department of Education (MDE) in one of the three categories described below.

The first category is ***Comprehensive Support and Improvement (CSI)***. Schools with this designation 1) have a graduation rate less than or equal to 67%; 2) have been identified in the bottom 5% of Title I-A schools; **or** 3) have been previously identified as an Additional Targeted Support and Improvement school with three consecutive years of subgroup proficiency performance in English Language Arts or Math at or below that of all students in the bottom 5% of Title I-A schools (the third criteria for identification will begin with the 2021-22 school year).

The second category is ***Targeted Support and Improvement (TSI)***. Schools with this designation have 1) one or more subgroups with performance in the lowest 50% of the overall accountability index; 2) one or more subgroups with performance in the lowest quartile of the 3-year average gap-to-goal; 3) one or more subgroups with performance scores in the lowest quartile of the 3-year improvement towards the gap-to-goal closure; **and** 4) one or more subgroups in the bottom 5% of the eligible, rank-ordered subgroups identified through steps one, two and, three of this category.

The third category is ***Additional Targeted Support and Improvement (ATSI)***. Schools with this designation have a 3-year subgroup average performance that is at or below that of all students in the lowest-performing Title I-A schools.

Your child's school has a CSI designation because of graduation rate.

- ☒ Your child's school has a CSI designation because of performance in the Bottom 5% of Title I schools.
- ☐ Your child's school has a TSI designation.
- ☐ Your child's school has an ATSI designation.

With the support of the district, our school leadership team, and input from parents, we will develop and implement a plan that will address the areas of need that caused the designation of CSI, TSI, or ATSI.
